#3 Phillips

Rail Attachments

Fishing Rod Holder

(sold separately)

Lower Rail

Madjax recommends professional installation. If you choose to not have this product installed by a professional, we highly recommend that you exercise caution, care, and patience when installing this product as it involves drilling holes into your cart's body.

**Before installing this product, refer to lower rail assembly instructions (01-046) for installing the lower rail.*

Remove nut, lock washer, and flat washer from rail attachment.

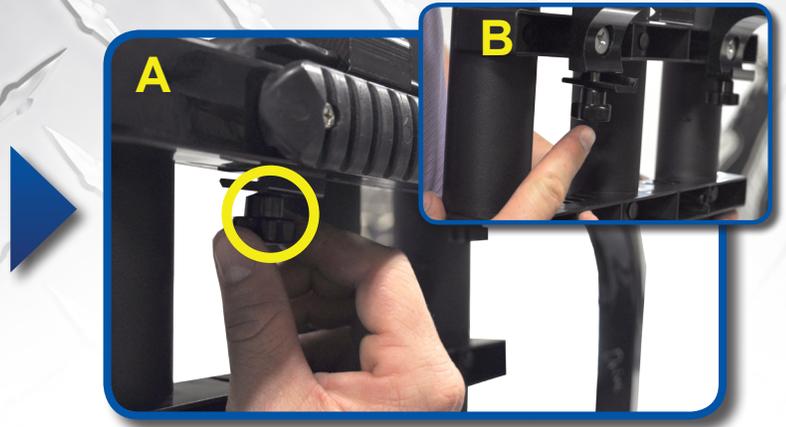

Mounted to Rod Holder

Insert rail attachments into rod holder and tighten hardware.

(A) Remove threaded knob from rail attachments and slide rod holder on to lower rails.

(B) Secure rod holder in desired location by re-inserting threaded knobs and tightening.

INSTALLATION COMPLETE
