INSTALLATION INSTRUCTIONS CLUB CAR DS 2000+ AND FAIRPLAY ZX 2007+

1.) Remove side handles and mounting hardware from stock seat base.

2.) Install handles and hinge tabs on base of Suite Seat. ***IMPORTANT*** Hand start all bolts to prevent damage to t-nuts. Seat base can now be installed on cart.

3.) Remove stock seat back.

4.) Install Suite Seats backs
IMPORTANT Start all bolts by hand to prevent damage to t-nuts. Only hand tighten bolts at this stage.

5.) Install rear stabilizer bar
IMPORTANT Start all bolts by hand to prevent damage to t-nuts. Once all bolts are started for backs and for stabilizer bar you may finish tightening bolts.

Caution: Wear Appropriate Eye Protection!
